

## **Weekly Estate Bulletin – Golden Lane Estate.**

**Week ending 14 August 2015**

### **Great Arthur House – Project update**

*We are sorry that we have been unable to confirm the start date for the Great Arthur House project. Residents will know that we had expected the contractors to be on site this month. Unfortunately, the company manufacturing the windows, which have to be specially made, is still carrying out tests to ensure the window units meet all necessary standards. As soon as we have any further information we will pass it on to residents.*

### **Community Club**

*Sincere apologies to those residents who were affected last Sunday. We are working with the management to ensure that this does not happen again.*

### **General Repairs**

*Blocked drains on the podium and at Crescent House have been reported to the Repairs Team  
Work should be carried out next week.*
