

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 29 January 2016

Estate Matters:

Smoking Cessation Clinic

A smoking cessation clinic has been running at Golden Lane Estate Office since the beginning of January 2016. The clinic runs from 08:30 to 11:00 a.m. every Monday and is open to all residents, so if you have tried to stop smoking in January and failed, it is never too late to try again! You do not need an appointment, just turn up on the day.

Communal Repairs:

Bowater House

Uneven paving slabs by flowering cherry tree in garden area – reported to repairs on 26 January 2016.

Blown plaster on 4th floor West staircase ceiling – reported to repairs on 26 January 2016.

Stanley Cohen House

Two cracked Georgian glass panes on 3rd floor balcony overlooking Golden Lane – reported to repairs on 26 January 2016.

Hatfield House

Several uneven paving slabs to the path at the rear of the lower ground properties reported to repairs on 28 January 2016.
