Dear Sir/Madam

### **Highway Resurfacing Works – Fann Street**

Starting on Monday 18 April 2016 works will be carried out by the City of London Corporation's contractor, JB Riney Limited, on Fann Street (between Aldersgate Street and Golden Lane). These works have been programmed following discussions with the City of London Police and the City of London's Environmental Health Officer.

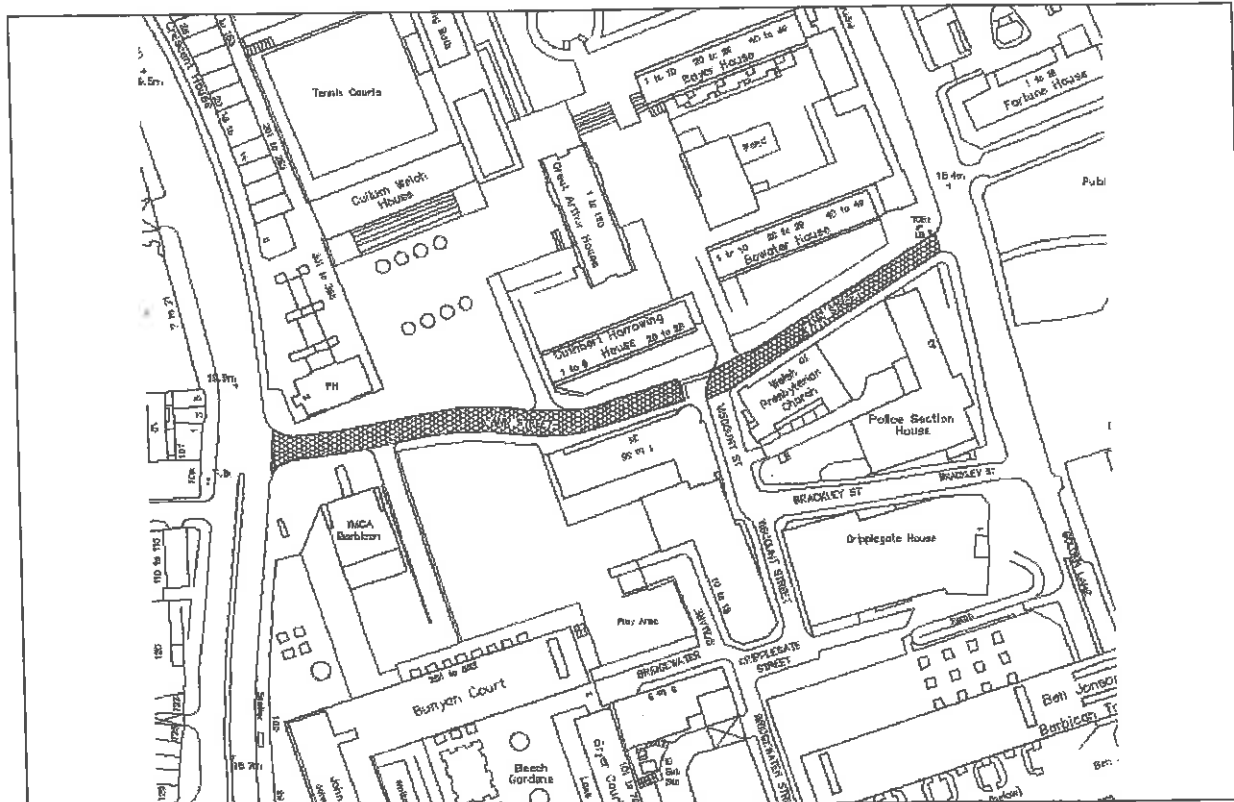

The street will be closed to all vehicular traffic with local diversions in place. A plan of the works, together with the relevant dates and the times of working, is the on the reverse of this letter. Please be aware that there will be some minor vehicle and plant movements in order for the works to start promptly at 0800hrs; a prompt start will ensure a reasonably timed finish of works at the end of each day.

Every effort will be made to keep disturbance and disruption to a minimum. If you do have any queries regarding these works please contact me on the numbers listed above. Alternatively if you have any liaison queries please contact JB Riney's Public Relations officer Chris Jackman on 020 7332 1954 or 07720 092479 (email: [chris.jackman@cityoflondon.gov.uk](mailto:chris.jackman@cityoflondon.gov.uk)).

Thank you for your co-operation whilst these essential works are being undertaken.

Yours faithfully
