

## **Notice!**

**Please be advised that residents who have garages or spaces below Crescent House will not be able to exit the underground car park via Fann Street on Saturday 29 October due to the delivery and operation of a Crane at the junction of Fann Street and Aldersgate Street. Unfortunately, we cannot offer alternative parking on Golden Lane Estate as we are already severely restricted due to ongoing works. Underground garage and parking space users are therefore advised to seek alternative parking on that day or if this is not possible, refrain from using your cars.**
