

Indicative view of City of London
Primary Academy Islington from
Golden Lane.

The City of London Corporation invites you to view proposals for the redevelopment of the former site of the Richard Cloudesley School on Golden Lane.

The City Corporation is proposing regeneration of the site on Golden Lane to deliver a new school, City of London Primary Academy Islington (COLPAI), for 420 pupils with 38 nursery spaces. The scheme will also provide 70 much-needed homes for social rent. The City Corporation is working with award-winning architecture practice, Hawkins\Brown, on a contemporary design for the site.

We would like to hear your views on our proposals. The development team will be on-hand to answer any questions and look forward to discussing the plans with you.

**Thursday
23 February
2pm – 8pm**

Golden Lane
Community Centre,
Fann Street, EC17 0RN

**Saturday
25 February
11am – 3pm**

Former site of the
Richard Cloudesley School,
103 Golden Lane,
EC1Y 0TZ
