

# Do you want to hear from us?

The City of London Police is introducing a new pilot scheme where police and local authority information can be sent by text (SMS) direct to your mobile phone. It's **FREE** and is aimed solely at residents and workers within the Square Mile. It's easy to sign up to and you will receive a variety of information - from road closures to crime prevention advice.

**Turn over for full registration details**

# What are the benefits to you?

City of London Police have teamed up with Vocal as part of our commitment to putting our communities at the heart of all we do. We aim to keep you updated on what is happening in the Square Mile, as well as giving you information on the types of crime that are being committed and details of meetings where you can tell us face to face what the issues are that impact on you.

The scheme is free and you will also be able to unsubscribe at any time. If you sign up for the scheme, then after the three month trial period we would like you to tell us what you think about the information you received and how useful it was to you.

Registration is quick and simple, you can either visit
