

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 14 July 2017

Estate Matters:

Pond area pump

The work to the pump is not yet complete as a component was found to be broken during installation. The contractor will be returning next week to undertake the finishing work which includes the levelling of the equipment, tidying the wiring and returning the fountain to use.

Communal repairs:

Gt Arthur House

There is a loose paving slab by the rear entrance – this was reported to the repair section on 13 July.

4th floor – There are faulty lights on two fire escapes

5th floor – There are faulty lights on two fire escapes and fluorescent strips out by flats 22 and 18.

6th floor – There are faulty lights on two fire escapes and fluorescent strips out by flats 3 and 7.

10th floor – There are faulty lights out on two fire escapes - these lights were reported to the repairs section on 13 July

Cullum Welch House

There is a dislodged paving slab by shed 51 – this was reported to the repairs section on 10 July.

Dates for your diary:

There will be a fire safety drop in session at The Golden Lane Estate Community Centre – 24 July at 6 p.m.
