

Fire safety concerns?

The most senior managers responsible for the City of London's housing estates will be holding a drop-in event to talk with residents about our plans to improve fire safety measures and to answer any questions you may have.

The Drop-in event will be on Monday 24 July at Golden Lane Community Centre. Please come along and talk to us any time between 6 and 8pm.

Questions on fire safety?

Email them to: housingfiresafety@cityoflondon.gov.uk
