Works in the underground garage area

Electricians will be installing cable and ducting in the underground garage area for two weeks from Monday 16 October. The work will involve the use of a platform which will be erected and dismantled each day. The works should cause minimum disruption to garage users.

Communal Repairs:

Crescent House

There are several protruding paving stones adjacent to the small trees and planters on the podium area - these were reported to the repairs section on 13.10.17

There is a fault with the main entry door – this was reported to the repairs section on 13.10.17
