

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 10 November 2017

Estate Matters:

The Academy of Urbanisation Awards

Golden Lane estate was recently shortlisted as a finalist in the “Best neighbourhood” category of the 2018 Academy of Urbanism awards. The awards ceremony was held on the evening of 8 November in Victoria, Central London. Unfortunately, Golden Lane Estate did not win the award this time, as it went to the Byker Estate in Newcastle. Although Golden Lane Estate did not win, it was still a great achievement for us to be shortlisted down to one of three estates, as the judges visited several estates across the UK and Ireland during the assessment phase. Our finalist certificate is now on display in the estate office.

Fire Safety in Gt Arthur House

Technicians have today completed the installation of smoke detectors in the communal corridors of Gt Arthur House. This will further improve the safety of our residents.

Communal Repairs:

Gt Arthur House

A glass panel on one of the basement entry door was smashed on the evening of November 5 – This was reported to the repairs section on 6 November.
