Refuse chute blockages

Unfortunately, it was necessary for Wates living space to clear a blocked chute at Hatfield House earlier this week, and this was due to someone putting a large plant pot down the chute at the west end of the block. We would ask residents to please dispose of all household waste responsibly, and think carefully before putting oversize or inappropriate items down the bin chutes.

Communal repairs:

Hatfield House

There is a faulty light between sheds 23-24 in the basement area – this was reported to the repairs section on 30 November.

There is a problem with hot water coming through the cold taps and toilet cisterns in some flats – this was reported to the repairs section on 1 December.

There is an operational problem with main door – this was reported to the repairs section on 1 December.
