

COVID-19 VACCINATION

Dear City Resident,

You may have already been contacted by the NHS about your COVID-19 vaccination. If you already have an appointment booked, please attend this as scheduled.

If you haven't been contacted, we are pleased to inform you that St Bartholomew's Hospital has limited vaccination slots for City of London residents aged 70 and over.

This is currently for the first dose only. If you have already had your first dose, your original provider will offer you the second dose. If you have had your first dose at St Bartholomew's Hospital, you will be invited back for your second dose in twelve weeks from your vaccination.

Please call either:

020 7332 1926 (Monday - Friday, 8am - 6pm)

0203 765 8789 (Monday - Friday, 10am - 5pm)

Or email:

Bartshealth.vaccinationsSBH@nhs.net

Emails should include name, date of birth and telephone contact number. If the booking is for two people, please make this clear in order to ensure two slots are booked.

If you are not currently eligible for the vaccine, please do not book an appointment. The NHS will let you know when it's your turn. It's important not to contact the NHS for a vaccination before then.
