

## **Weekly Estate Bulletin – Golden Lane Estate.**

**Week ending 30 April 2021**

### **Estate Matters:**

#### **Disposal of bulk items**

Please ensure that bulk items such as sofas or white goods are disposed of responsibly by leaving them at the recycling collection point outside Gt Arthur House basement. If you require directions, please contact the estate office. Alternatively, you can arrange a collection with the recycling section by phoning 020 7606 3110 as well as ordering more recycling bags.

#### **Use of refuse chutes**

Please ensure that you do not put oversized or other inappropriate objects down the refuse chutes, as this can lead to severe blockages which sometime require the assistance of external contractors to clear.

#### **Temporary Parking**

At present, we are still only allowing temporary parking for contractors and not general visitors. This is in the interest of maintaining social distancing.

#### **Recycling**

The recycling bag collection days are on Mondays and Thursdays excluding bank holidays. Please do not put bags outside your flats on any other days. Cardboard boxes should be broken down and placed inside the large bags for collection. Please note that polystyrene, single use plastic and shredded paper are not recyclable!

#### **Bank holiday**

As Monday 3 May is a bank holiday, the estate office will be closed and reopen on Tuesday 4 May. We wish our residents a happy weekend.
