

Weekly Estate Bulletin – Golden Lane Estate.

Week ending 22 October 2021

Estate Matters:

Refurbished estate office

The estate staff are hoping to move back into the remodelled estate office in the next couple of weeks, once building control have signed off the works for completion and our network is fully configured.

Graffiti

There have recently been several bouts of graffiti tagging across the estate and someone has also defaced the mirror in one of the Gt Arthur House lifts which was recently replaced. All acts of vandalism are reported to City of London police for investigation, so if you see someone carrying out tagging or other vandalism on the estate, please phone Wood Street police station on 020 7601 2222

Sky Q

The estate staff have received several queries over the last year regarding sky Q Installations. Unfortunately, our communal system needs electrical work to be undertaken on the communal equipment in all our blocks to make the system compatible. The estate officer has pursued this matter with a contractor but we are still awaiting completion of the works.
