

## **Weekly Estate Bulletin – Golden Lane Estate.**

**Week ending 22 July 2016**

### **Estate Matters:**

#### **Lift Update**

Engineers from Guideline lifts have carried further repairs to lift number 2 in Gt Arthur House this week which will hopefully improve the operational performance of the lift. However, we would ask residents not to stick the lift doors open e.g. when shifting furniture etc as this can cause faults to develop. Please continue to exercise caution when entering and leaving the lift.

### **Communal Repairs:**

#### **Hatfield House**

East entry door is slamming – This was reported to the Barbican repairs section on 20.7.16

#### **Bayer House**

Broken lower glass panel on east entry door – This was reported to the Barbican repairs section on 18.7.16

#### **Crescent House**
